

## HOME FARM MARSH VOLUNTEER COORDINATOR

### Person specification. August 2021

The content below provides a sense of the skills, experience, and personal qualities we're looking for.

#### Essential

- A proven track record of working with volunteers of all ages in a successful organisation for example an NGO, charity, or similar partnership programme
- Knowledge of countryside management and nature conservation techniques
- Directly relevant work experience
- Effective communication skills with an approach and behaviours that promote inclusivity and respect
- Drive, organisation, initiative and enthusiasm, with high standards of work
- Willingness to work outdoors in all weathers throughout the year

#### Desirable

- DBS check in order to lead volunteer tasks and public events attended by young people and/or vulnerable adults.
- Producing and using Risk Assessments and Working procedures
- Knowledge of the Gaia Trust and the Home Farm Marsh site
- First Aid at Work qualification
- Volunteer Management qualification
- Professional accreditation for chain saw, brush cutter and other countryside management tools
- Own tools
- Full driving license
